Searching for learning content

# Search for learning

- ❑ To search for courses, you need to access the Course Catalogues

[1]

Click on 'Browse Course Catalogues' from your home page

The screenshot shows the WFP LMS home page. At the top, there is a blue navigation bar with "LMS" on the left, a home icon, "Learning" with a dropdown arrow, a search bar containing "Search for actions or people", and a user profile "Janet Doe" with a dropdown arrow. Below the navigation bar, there are three main menu items: "My Learning", "Search Catalogues" (highlighted with an orange box), and "Home". The main content area is divided into several sections. On the left, there is a section titled "What would you like to learn today?" with a grid of colorful icons representing various learning topics. To the right of this section is a "SEARCH the WFP LMS Course Catalogue" section with a search input field and a "Go" button. Below that is a "DISCOVER CrossKnowledge" section with a blue graphic and a right-pointing arrow. At the bottom right is an "EXPLORE DisasterReady" section with a blue graphic and a "Sign on to DisasterReady Now" button. The page also features a "Support" link in the bottom right corner.

# Search for learning

- ❑ The Catalogue search page consists of **3 main sections**:  
LMS Course Catalogue, CrossKnowledge library of content and the DisasterReady Platform

The screenshot shows the WFP LMS search page with a blue header. The header includes the WFP logo, 'LMS', 'Learning' dropdown, a search bar with the text 'Search for actions or people', and a user profile 'Janet Doe'. Below the header are navigation links: 'My Learning', 'Search Catalogues', and 'Home'.

The main content area is divided into three sections:

- Explore our Learning Libraries:** A section titled 'What would you like to learn today?' featuring a grid of 16 colorful icons representing various learning resources. Below the icons is a paragraph: 'Over the past months we have expanded our learning offerings in partnership with different WFP functions, other UN Agencies and world-class training providers. The result is many new learning resources available to you at your fingertips!'
- SEARCH the WFP LMS Course Catalogue:** A section with a search bar containing the text 'What do you want to LEARN today?' and a 'Go' button. Below the search bar is a link 'Browse all courses >'. A callout box [1] points to this section.
- DISCOVER CrossKnowledge:** A section with a blue background and a hand pointing at a screen. Below the image is a link 'CrossKnowledge for WFP >'. A callout box [2] points to this section.
- EXPLORE DisasterReady:** A section with a blue background and the text 'Find more training...'. Below the text is a paragraph: 'Access a collection of e-learning courses, webinars and resources developed for nonprofit staff and volunteers through the DisasterReady portal. To log in use your WFP Index number and the password Learning1.' and a button 'Sign on to DisasterReady Now'. A callout box [3] points to this section.

[1] Browse the courses available in the **LMS catalogue** or search by keywords. The LMS course catalogue features mainly WFP functional content, soft skills training and cross-functional training.

[2] Browse the course catalogue offered by WFP's learning partner **CrossKnowledge** to find engaging content mapped to WFP's core capabilities.

[3] Browse the course catalogue offered by WFP's learning partner **DisasterReady** to find training that has been developed by other UN agencies and other humanitarian experts

[1] This is the search box where you can type in keywords to help you narrow down your search

[2] Filters help you narrow down even further your search for content

[2] The category filter allows you to select only content of a specific type, such as online learning or classroom (instructor-led) courses

[2] The subject area filter allows you to select WFP functional areas (such as Finance)

[2] The source filter allows you to differentiate between internal and external courses should there be any

[4] You can view scheduled offerings of instructor-led courses by pressing the Course Calendar button

[3] Selecting a course from the search results allows you to assign it to yourself and take it later, start the course right away, or recommend it to a colleague
